GREEN CORPS FELLOWSHIP
Green Corps is looking for college graduates who are ready to take on the biggest environmental challenges of our day. The planet needs all the help it can get, especially now with so many environmental protections under attack. To win now and build a strong foundation for lasting progress, we need people who know how to organize: to run organizations and campaigns that will inspire the support and action we need to save our planet. Green Corps offers a year-long paid fellowship that prepares recent college graduates for a career in environmental organizing by providing classroom training, hands-on experience running campaigns, and connections to jobs in the environmental and social change movement.

- The year-long program begins August 2018
- Click here for more information and to apply
- Application deadline: **Friday, February 2, 2018**
