

Political Economy Pre-Designed Concentrations	
Below is a list of pre-designed Political Economy Concentrations. Approval is not automatic. You will still need to explain how the four courses are related to each other to a PE advisor. Keep in mind that if you deviate from the prescribed list of four courses, even if you are only changing one course, you will need to meet with a PE advisor to discuss the change and submit a revised Concentration Approval form. You must take four courses towards your concentration topic and you cannot take more than two courses from one Discipline.
